**REQUEST FOR MISSING AND COMPLETE REFERENCES**

Commissioner for Patents

Dear Sir:

In the Office Action dated November 13, 2003, the Examiner cited twelve (12) references in rejecting the claims of the above-referenced patent application. However, copies of two references were not sent to us, and one of the references that were sent is incomplete.

The following two references have not been furnished to applicants' representative:

Microsoft Windows Explorer 2000 Screen Dumps (pages 1-6, 1999)

Microsoft Excel 2000 Screen Dumps (pages 1-6, 1999)

Also, this is a request for the Patent Office to furnish applicants' representative with a complete copy of U.S. Patent No. 5,021,989 (Fujisawa et al.).

In the Office Action mailed November 13, 2003, Fujisawa et al. is cited as a reference in rejecting claim 32. However, the copy of the Fujisawa et al. reference supplied to applicants' representative is incomplete in that the page containing Sheet 3 of the drawings is missing. Accordingly, so that applicants' representative can best appreciate the relevance of the Fujisawa et al. reference, it is requested that a complete copy thereof be furnished; and that the term set by the Office Action of November 13, 2003 be reset with the mailing of such complete reference.

Respectfully submitted,
